A COMPETITION FOR FILMMAKERS & MUSICIANS

The awards were initiated by the Australian Independent Music Association in recognition of the diversity and range of talent active in the production of independent music videos. The vast majority of the music videos, similar to the original recorded music tracks, are not well covered by mainstream music industry awards, that are dominated by major transnational recording labels and media interests.

If you have a music video submit it or if you have a song and storyboard idea do not procrastinate, get on with the filming and editing – the clock is ticking!

THE JUDGES

Judges for the 2014 Australian Independent Music Video Awards include a former Tropfest & International Film winner, leading Radio producers and presenters, award winning Music Producer and a Music Festival coordinator. Most will be present at the awards ceremony.
